

NOTE: Translation of clause 1.3.3 b/1 of the Cosmetics Code Version 8

---

The original French clause from the [Cosmetics Code V 8](#) is:

*Les techniques numériques ne doivent pas modifier les images des modèles de telle manière que leurs formes ou leurs caractéristiques deviennent trompeuses sur le résultat pouvant être atteint par le produit.*

This is translated in the [ARPP English version](#) of the same Code as:

*The digital techniques must not modify the images in such a way that the forms and features are misleading concerning the performances of the product*

The translation on the GRS database is shown as:

*The digital techniques must not modify the images/ figures of the models (new phrase) in such a way that the forms and features are misleading concerning the performances of the product.*
